PLACEMENT NEWS

Practice Interviewing

Interviewing requires skill. Skill development takes practice. Practice this skill in a role-played situation. Do not risk losing a possible job opportunity by practicing your interviewing technique during your real job interviews. You can sign up right now, in the Career Planning and Placement Office, for a practice interview. These practice sessions will be run from September 12 to mid-October.

Second Year Students - Career Opportunity

Price Waterhouse, an international public accounting firm, is seeking 2nd year law students to work part-time in their Tax Administrative Group. This could lead to a later career opportunity. Students should have met requirements to sit for the CPA exam and have a strong interest in a tax consulting career after law school. Additional information and applications are available in the Career Planning and Placement Office. There is a September 20 application deadline.

Fall Interview Addition

Phelan, Pope & John, Ltd. is now accepting resumes from third year students. The deadline for submitting a resume to this firm is now September 27. This can be added to the original number that was submitted, even if it exceeds the maximum number previously stated.

Mock Interview Demonstration

On Tuesday, September 20 at 12 noon in room 203, two of our faculty members will interview two students in a mock interview setting. The two students have already volunteered their services. All students interested in observing and asking questions about the interview process are welcome to attend. This should be a very valuable learning experience.

Fall Interview Program - Keep It In Perspective

An article in the recent law school issue of the Chicago Daily Law Bulletin reported on the hiring of 1983 graduates by Chicago's twenty largest law firms. A survey of these twenty firms showed that of the 241 graduates which they hired, 33 were from the University of Chicago, 32 from Northwestern, 12 each from IIT Chicago-Kent and DePaul, 9 from Loyola and 3 from John Marshall. In 1983, approximately 1500 students were graduated from the Chicago area law schools and less than 7% or 101 students were hired by Chicago's twenty largest firms. These figures should help all students to keep the fall interview process in the proper perspective. Fall recruiters comprise only 7-10% of the legal employment market and hire 7-10% of all law school graduates.
